

WORKSHOPS

Engaging, interactive, and purposeful shared learning spaces for staff, boards, and collaborative groups provided by Saathi Impact Consulting, LLC.

Time together is precious. Make the most of it with a workshop from Saathi. All workshops focus on content learning, catalyzing personal action, active participant engagement, and collaborative practice with tangible tools.

Contact Bina at bina@saathiimpact.com or 773.710.3317 to schedule your workshop.

Designing for Racial Equity & Inclusion

Operationalize and embed equity practices

How can we consistently practice racial equity? What does it mean to operationalize racial equity? This workshop shares concrete tools for teams to discover drivers of inequity and redesign organizational processes.

Facilitation to Advance DEI & Impact

Facilitate brave and meaningful gatherings

Learn how to design engaging gatherings and facilitate groups with an inclusion and equity lens. Covers agenda planning, activity ideas, logistics, and concrete facilitation skill building.

Racial Equity and DEI Concepts

Build shared understanding of key concepts

Covering concepts of diversity, race and racial equity, and inclusion, this workshop builds shared understanding and practice with tools of essential concepts and frameworks in the DEI and racial equity space.

Undoing Implicit Bias

Ensure hidden biases hinder intended outcomes.

This workshop covers the different forms of bias, explores privilege, and provides tangible practices to combat hidden biases.

Ask about customized workshops for your team retreat,
collaborative meeting, or board meeting.

Thank you. I have been in so many DEI trainings, but you said it in a way that makes sense and is real.

I get it now.

- Executive staffer from a philanthropic network organization

The tools you gave me worked! You gave me something tangible and useful.

- Program Officer at a national foundation
